

How much money was raised through the Fifth Sunday Offerings in 2015?

Once a quarter there are five Sundays in the month. On that Sunday CoroUniting offers attendees the opportunity to give an occasional gift to a mission need not typically covered by our other offerings.

In 2015 we ran three Fifth Sunday Offering opportunities, supporting the following:

Mercy Medical Center, Phnom Penh - \$460

International Nepal Fellowship Nepal Earthquake Appeal - \$1120.35

Beacon (ministry of the Mitcham Hills Interchurch Council) - \$219

Thank you to all who gave to the Fifth Sunday Offerings in 2015.
