## Manse Provision:

We are seeking additional giving to our normal offerings to help provide the manse free of charge to an asylum seeker family in our church. This is a vital interim ministry to support brothers and sisters who have no means of income or financial support. We believe God has called us as their church family, to support them both prayerfully and financially during this season. You will be notified when these additional funds are no longer required.

### Method

*EFT (Electronic Funds Transfer)* is a direct credit to the church bank account, via Internet Banking. The information you need to do this is available on the back page of the newsletter or on the website under *Get Involved >> Giving >> How to Give>> EFT Information*. **This is our preferred method as it minimises administration costs.**

*BSB: 805 007 Account number: 00 706 438 Account Name: Coromandel Valley UCA*

*Envelopes* are provided in weekly or monthly numbered and dated sets. You seal your gift inside the envelope and place it into the offering bags on a Sunday morning.

Both EFT and Envelopes are recorded and you will receive a quarterly report. Using this method allows you to specify to which category your gift will be allocated (see below).

### Offering Categories

Please prayerfully consider what God would have you contribute to each of these categories.

*Normal Offerings* are used for the general ministry and mission of the Church, funding the full range of our costs and programs.

*Mission Offerings* are allocated to specific outreach programs throughout the year as nominated by the Mission Focus Group. These projects may be within our local community, within Australia, or overseas. The funds received in this category are not the only funds used for this purpose, however giving to this area ensures that the full amount you give goes directly to Mission work.

*Loan Repayments* are used to service the existing loans taken out for our current church building. See opportunity to give permission for flexibility by ticking the box provided.

*Youth Ministry Offerings* directly support Youth Ministry. We are seeking to raise \$36,000 for this ministry.

### Manse Provision Ministry

Offerings given for this purpose are over and above your regular giving. The full amount you give goes directly to offset the loss in income from providing our Manse rent free, as part of a mercy ministry to those in need; particularly asylum seekers and refugees. Please prayerfully consider what God would have you contribute to this vital ministry in the life of CoroUniting. We are seeking to raise \$25,000.

### Privacy

We are serious about confidentiality and access to the details of individuals' giving is strictly limited to selected members of the Finance team.
